

Going to
The
MUSIC HALL

a social story

This is The Music Hall

Sometimes I may have to wait
in line to enter the building, get
to my seat, go to the bathroom
and leave The Music Hall.

When I enter
the front
doors I will see
the lobby.

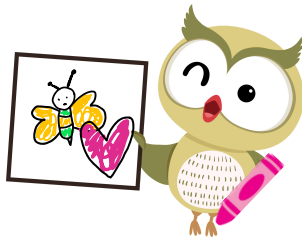

In the lobby I can...

Eat a snack

Have a drink

Take a break

Borrow a Sensory Bag

A sensory bag includes...

Wiggle Seat

Headphones

Sunglasses

Weighted Lap Pad

Fidgets

Social Story

The bathrooms are located
on the main floor.

There are no automatic toilets or
hand dryers in the bathrooms.

I will walk up the stairs to get
to my seat.

There is a staffed elevator available for access to the orchestra level.

Up the first set of steps is
the orchestra lounge.

My seat may be on
the orchestra level OR the balcony level

Orchestra Level

Balcony Level

I will sit in my seat to
watch the show.

During the show, there may be...

Sounds

I can ask for...

a Headset

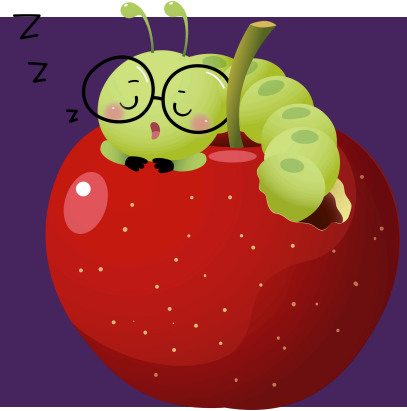

(if it is too loud)

(to help me focus)

a Break

(if I need one -
I can go to
